II. INTRODUCTION

The Monetary Authority of Singapore (“MAS”) has introduced new requirements for Maybank Kim Eng Securities Pte. Ltd. (“Maybank Kim Eng”, “We” or “Us”) to formally assess a retail customer’s investment knowledge and experience before selling certain investment products to the customer. These stronger measures and enhanced requirements have been imposed by MAS to further safeguard customers’ interests. Under the new measures, Maybank Kim Eng must conduct an assessment to assess whether a customer has the relevant knowledge or experience to understand the risks and features of listed SIPs as well as unlisted SIPs. Such assessment also allows us to get to know you better to facilitate fair treatment of you as a customer of our services.
