Client Proficiency Assessment for Trading in Specified
Investment Products (“SIPs”)

The Monetary Authority of Singapore ("MAS") has introduced new requirements for Maybank Kim Eng Securities Pte. Ltd. ("Maybank Kim Eng", "We" or "Us") to formally assess a retail customer's investment knowledge and experience before selling certain investment products to the customer. These stronger measures and enhanced requirements have been imposed by MAS to further safeguard customers' interests.

It's a mandatory requirements that all retail customers who are interested to transact in Contract for Difference (CFDs) has to go through the Client Proficiency Assessment to make sure that they have the relevant knowledge and experience to understand the risk and features of listed SIPs as well as unlisted SIPs.

Please note that the Client Proficiency Assessment for SIPs are not applicable for the following categories of investors :-

1. Accredited Investor (AI)
2. Institutional Investor
3. Expert Investor (EI)

For retail customers who do not fulfill at least one of the 3 criterias on the Client Proficiency Assessment will not be qualify and allowed to transact CFDs.

1. Educational Qualifications – Hold a diploma or higher qualification in the financial related, or in Professional financial certifications.
2. Investment Experience - Have traded a minimum 6 CFD trades with a broker in the past 3 years
3. Working Experience – For the past 10 years, have working experience with a minimum of 3 consecutive years in the Financial related sector but not on the support functions such as administration or clerical role.

Please refer to this link to find out on the criteria required to qualify to trade CFD:

3. Once you have registered, please login in your Email Address and Password Choose Contract for Difference and Launch course.

Contracts for Difference (CFDs)

Contracts for Difference (commonly known as "CFDs") are derivative products and the trading of the CFDs involves two parties - the buyer and the seller. The buyer or seller, each with a view of the market, takes a position on asset price movements without owning the underlying asset.

Attempts : 0 / Unlimited

Status - Not Started

4. Once you have completed the CFD module and passed, there will be a e-certificate. Click 'download' and email the certificate to your respective TR or helpdesk@maybank-ke.com.sg to expedite the CFD account opening.

Contracts for Difference (CFDs)

Contracts for Difference (commonly known as "CFDs") are derivative products and the trading of the CFDs involves two parties - the buyer and the seller. The buyer or seller, each with a view of the market, takes a position on asset price movements without owning the underlying asset.

Attempts : 11 / Unlimited

Status - Pass
